Appendix C: *In-Care* Candidate Statement of Agreement and Understanding

Dear *In-Care* Candidate:

Welcome to the *In-Care* process! Please read the following as it outlines the boundaries of your *in-care* status.

- I understand that being taken *In-Care* of the New Jersey Association of the Central Atlantic Conference of the United Church of Christ does not assure my ordination.
- I understand that being taken *In-Care* does not constitute permission or authorization to act as an ordained, licensed, or commissioned minister.
- I understand that my *In-Care* status will be reviewed annually.
- I understand that my *In-Care* status may be terminated at any time either by myself or the Pre-Ordination Commission.
- I understand that the Pre-Ordination Commission may terminate my *In-Care* status without giving cause.
- I understand that the Pre-Ordination Commission may suspend my *In-Care* status without giving cause.
- I understand that the requirements for ordination in the New Jersey Association are determined by the Pre-Ordination Commission on behalf of the New Jersey Association and that said Commission has the sole authority to do so.
- I attest that information I give, both written and oral, to the Pre-Ordination Commission is true and complete to the best of my knowledge. I understand that any misrepresentation or omission may be grounds for the termination of my *In-Care* status.

I understand and agree to the conditions stated above.
