Dear Grace United Church,

How are you there in the USA? Messia and family are all doing fine here in Zambia.

Messia's birthday was on the 18<sup>th</sup> June, She is now twelve years old. She is a very hard working girl who helps with household chores like washing dishes and sweeping in the house. In her spare time she likes to play netball with her friends. Her family is very busy harvesting cotton at this time of the year for a little income to support the family. How is the weather there in the USA? I hope it is cool out there! Here in Zambia it is cold in the night and during the early hours of the morning. They will start preparing their fields for the next farming season which starts in November.

Lastly, the family would love to thank you for your love and support that you are giving to this child and community at large. May God bless you all in Jesus name.

Yours Sincerely  
Kennedy  
(for Messia)
