Dear Grace

22<sup>nd</sup> October 2009

I am glad to write this Christmas message on behalf of your child messia. Your child and family are okay.

They will spend their Christmas time as follows from morning to mid day, they will be at church for a service. In the afternoon this family will have a Christmas celebration which will include singing Christmas songs and eating.

Usually they eat ushima with chicken. Wishing you a prosperous Christmas and a happy new year with love.

Yours sincerely  
Morden Hasulwe.
