Dear Rev. Lindquist,

Raritan Valley Habitat for Humanity (RVHFH) is very grateful to the Grace United Church of Christ for your generous donation of \$500.00.

Your gift will help a hard working family recognize their dream of having a home to call their own. We thank you.

We have made a lot of progress on our nine-home Bridgewater community. The first seven homes have been completed and we are currently working on the eighth and ninth homes as well as beginning our new project in Lambertville, NJ.

Once again, we thank you for your support. Through your support for each family in need, you are building a new home and opening the door to a brighter future. Together, we will give them hope and the help they need to build a simple, decent place to call home.

In Partnership,
