Dear Dan,

We are so grateful for your generous support of Raritan Valley Habitat for Humanity.

I am pleased to report that our program continued to grow during Fiscal 2011, offering a "hand-up" to more families in need of decent housing. Seven of our nine Bridgewater families are now living in their homes and the final two houses will be completed shortly. We also began construction on our two newest projects – a duplex in Lambertville and a single family home in Franklin Township.

Your support is truly vital to the success of our program. We are delighted to recognize you as a **Golden Saw** supporter in the enclosed annual report. Thank you for your dedication to our mission and our work in the community ~ because of you, we will be able to make *lasting impressions* for more families here in Somerset and Hunterdon counties.

Sincerely,

A handwritten signature in black ink that reads "Susan Connolly".
