

Dear Grace,

Thank you all for your generous Support of Our Church's Widow Mission in 2009. Your dollars make a difference. In recent weeks the infrastructure paid for by OCWM dollars got money to Haiti before a single dollar was sent for relief and continues to send 100% of your contributions to the relief effort - no overhead costs. In April those dollars will bring a new cell commercial - this time all over the internet. You make great things possible. Thank you.

Peace, Sherry
