Dear Members of Grace United Church of Christ,

On behalf of the Board, staff, and guests of Family Promise of Hunterdon County, I would like to thank you for once again participating in our Family Adoption Program this year. As always, we were overwhelmed by your generosity.

I had the pleasure of being the person who saw the faces of the parents as they came to pick up the gifts. I was the one who received the hugs and saw the tears of gratitude. That honor should have been yours. But I thank you for continuing to include Family Promise in your Christmas giving tradition.

Please know that because of your kindness, compassion and thoughtfulness, these families had a wonderful Christmas. What a blessing you are to all of them.

Wishing you all a very happy and healthy New Year!

Sincerely,

Donna Michelsen
Director of Network Services
