CARING & SHARING IN
HUNTERDON COUNTY

908-788-5568

December 2010

Dear Friends:

Thank you for the donation you gave in 2010 in support of our mission to provide groceries to families in need in Hunterdon County. Currently, there are over 1,200 families registered for services. In 2009, food was supplied for 9,450 family visits. The ingredients for a special meal were also distributed for three holidays.

The number of families seeking services continues to increase. Without your support, we could not offer this help to families struggling to make ends meet. Thank you for your caring and generosity.

Sincerely,

Doreen Parisi
Executive Director
